

Burls Kids

We are quickly coming up on the 10th anniversary of the Burls Kids program! We want to celebrate by sharing success stories. We are looking for some of the first Burls Kids (from 8 or 9 years ago) who have success stories. If you know of a former Burls Kid that has a great story please share it with us. You can share your stories by emailing us at burlsworth@cox.net. You can also visit our Facebook page (Brandon Burlsworth Foundation) and go to the discussion board. It is set up so success stories can be posted. Please be sure to include the year this person was a Burls Kid. We will be producing a piece that will be featured on the Razorback Stadium video board this upcoming season. For additional information you can call 866-534-2875.
