

Burl's Kids

We want to celebrate our Burl's Kids program by sharing success stories. We are looking for some of the first Burl's Kids (from 8 or 9 years ago) who have success stories. If you know of a former Burl's Kid that has a great story please share it with us. You can share your stories by emailing us at burlsworth@cox.net. You can also visit our Facebook page (Brandon Burlsworth Foundation) and go to the discussion board. It is set up so success stories can be posted. Please be sure to include the year this person was a Burl's Kid.
